Bigger isn't always Better

The Swank Home Assisted Living's mission is to provide the highest quality of personalized care in a comfortable, family environment. We understand the concerns family members have about the safety of their loved ones. Our smaller home ensures your loved one will get more one-on-one interaction.

The Swank Home was established in 1986 by Homer and Sharon Swank, and is now owned by their daughter, Rhonda. Since we are family owned and operated, we have built a **STRONG REPUTATION** for having one of the best homes in the area. We are well known for our **CLEAN, HOMELIKE ATMOSPHERE** in a beautiful country setting. Call today to schedule a tour.
